The Data Protection and Privacy Office

SUMMARY OF OBLIGATIONS OF DATA CONTROLLERS AND DATA PROCESSORS

Registration Certificate (Art. 29 and 30)

A person who intends to be a data controller or a data processor must register with the supervisory authority.

Store personal data outside Rwanda Permission (Art. 50)

The storage of personal data outside Rwanda is only permitted if the data controller or the data processor holds a valid registration certificate authorizing to do so.

Authorization to transfer personal data outside Rwanda (Art. 48)

A valid Authorization from the supervisory authority is required when personal data transferred outside Rwanda.

Contract for transfer of personal data (Art. 49)

The data controller or the data processor who authorizes a person to access personal data, share or transfer them to a third party outside Rwanda, enters into a written contract with such a person setting out the respective roles and responsibilities of each party to ensure compliance with this Law.

Data Processing Contract or Authorization to process personal data (Art. 4)

The processing of personal data carried out by the data processor is governed by a written contract between the data processor and the data controller.

Maintaining records of processed personal data (Art. 17)

The data controller or the data processor must maintain a record of all personal data processing activities.

Carrying out Data Protection Impact Assessment (Art. 38)

It is needed where the processing of personal data is likely to result in a high risk to the rights and freedoms of a natural person.

Consent of the data subject (Art. 6)

The data subject's declaration of consent must clearly indicate matters to which he or she consents in one of the official languages that is understandable to him or her.

Notification, Report, and Communication of a personal data breach (Art. 43, 44 & 45)

In case of personal data breach, the data controller, within forty-eight (48) hours after being aware of the incident, must communicate the personal data breach to the supervisory authority. Where the data processor notifies the data controller within forty-eight (48) hours after being aware of the incident.

Designation of the personal data protection officer (Art. 40)

The data controller and the data processor designate a data protection officer where the processing of personal data is carried out by public or private corporate body or a legal entity, except courts.
